89 DAYS WITH JESUS

Christianity is based on Jesus Christ -
who he is what he said, what he did,
how he lived and died and rose.

The life of Christ is described in the first four
books of the New Testament. We call them the
"Gospels" - which means "good news".

The Gospels were written by four people -
Matthew, Mark, Luke, and John.

Matthew and John were two of the Disciples.
They were eyewitnesses of the events.

Mark received his information from Peter—
another one of the original twelve disciples.

Luke was also a physician and a historian
who researched the facts to write his gospel.

Each of the Gospels tells the same story from a
different perspective. They coordinate with
and complement one another.

There is no better way to renew and enhance
your faith than to spend time with Jesus
through the books that are all about him.

Bible time is vital time.

If you don't have a Bible time plan,
you are invited to read along with us.

*Use a hard copy Bible
or download an electronic version
to your phone and/or your tablet for free
from a website such as Bible.is or YouVersion.com*

One Chapter a day. Six days a week.

That's all it takes to go through the
Gospels between the New Year and Easter.

*Jesus did many other miraculous signs
in the presence of his disciples,
which are not recorded in this book.
But these are written that you may believe that
Jesus is the Christ, the Son of God,
and that by believing you may have
life in his name.*

John 20:30–31 (NIV84)
